### Beethoven biographer, RIP | News Break

• Maynard Solomon, an eminent musicologist, has died. To read his obit in the New York Times, go here. He wrote an important biography of Beethoven — and I once asked him a question. It went something like this: You often read that Beethoven was a terrible, impossible person, alienating everyone he encountered.

### All-time beauties, &c.

Mr. Solomon often uses modern psychological theories to explain the dynamics that formed the young Beethoven’s personality and then goes on to suggest how this may have influenced his later years. Each of the four major sections ends with a chapter entitled, “The Music,” which discusses the music from each period in his life.
