Legal Environment ...

Business law is the law that governs what happens with commercial matters, and there are two main types: regulation of commercial entities and regulation of commercial transactions. Laws have evolved over centuries, and have had to adapt to changes in technology and society.

What is Business Law & The Different Types (With Examples)

But new bundles keep appearing. Why is this? Well, maybe because there are “only two ways to make money in business: One is to bundle; the other is unbundle.”
