Sexual intercourse may be called coitus, copulation, coition, or intercourse. Coitus is derived from the Latin word coitio or coire, meaning "a coming together or joining together" or "to go together", and is known under different ancient Latin names for a variety of sexual activities, but usually denotes penile-vaginal penetration. This is often called vaginal intercourse or vaginal sex.

### Sexual intercourse - Wikipedia

Human female sexuality encompasses a broad range of behaviors and processes, including female sexual identity and sexual behavior, the physiological, psychological, social, cultural, political, and spiritual or religious aspects of sexual activity. Various aspects and dimensions of female sexuality, as a part of human sexuality, have also been addressed by principles of ethics, morality, and ...

### Human female sexuality - Wikipedia

Human sexuality is the way people experience and express themselves sexually. This involves biological, erotic, physical, emotional, social, or spiritual feelings and behaviors. Because it is a broad term, which has varied with historical contexts over time, it lacks a precise definition. The biological and physical aspects of sexuality largely concern the human reproductive functions ...

Síntomas y signos. La depresión mayor afecta significativamente a la familia y las relaciones personales del paciente, así como su vida laboral o escolar, su alimentación y patrones de sueño, y la salud en general. [6] Su impacto en el bienestar ha sido comparado con condiciones médicas crónicas como la diabetes. [7] Una persona con un episodio depresivo mayor usualmente exhibe un ...
