Ethics And Infinity Conversations With

Constructed as a series of conversations, Ethics and Infinity is easier to comprehend than most of Levinas's writing and gets to various points quickly. Still, it's a long way from conversational, so buckle up. Levinas may be more visionary than philosopher, but maybe that's the point.

Ethics and Infinity: Conversations with Philippe Nemo ...

Ethics and Infinity shows Levinas' modesty and reserve and, above all, his rigor. Levinas is commenting here on the totality of his work. It is 'the best introduction' to his work. Levinas brings together the phenomenology of Husserl, the fundamental ontology of Heidegger, and the Bible. In Heidegger, the fundamental relation is with Being, not with others.
