Geographic Thought A Critical Introduction

“Cresswell’s introduction to Geographic Thought is everything such a book should be: open and honest, wise and witty, accessible and engaging. Offering an intelligent guide to the history of geographical theory, Cresswell’s thinking is consistently clear, concise and critical.

Geographic Thought: A Critical Introduction: Cresswell ...

A very comprehensive, if a bit dry, introduction to critical thought and theory for both human and physical geographies. Unfortunately, Cresswell's background in human geography shines through, and he drops the ball a little on the physical side.
