Taken together, Amnesty International, Doctors without Borders, Oxfam, and the thousands of citizen-based development, human rights, social justice, environmental, and other civil society organizations could achieve synergies within a multi-issue global citizens movement.

### Global Citizenship: Plausible Fears and Necessary Dreams

This book looks at the emergence of internationally linked Japanese nongovernmental advocacy networks that have grown rapidly since the 1990s in the context of three conjunctural forces: neoliberalism, militarism, and nationalism. It connects three disparate literatures—on the global justice movement, on Japanese civil society, and on global citizenship education.

### New Social Movements and Global Citizenship Education

The promise of global citizenship is as expansive as the rhetoric at the opening of a new session at the UN. Unfortunately, it’s often just as empty. To re-phrase H. Richard Niebuhr, this movement often imagines that citizens without countries will bring humans without a nature into society without culture through laws without foundation.
