Table of Contents: The Nazi Germany sourcebook

Used by the Nazis to identify homosexual prisoners in German concentration camps, it is a powerful reminder of a grim episode in the history of gay oppression. The first account in English of the situation of homosexuals in Nazi Germany appeared originally in The Body Politic as part of a series by James Steakley on the development of an early ...

Hitler's Germany by Jane Jenkins - Goodreads

Nazi Germany remains one of the most popular of topics at Advanced Level History, and this aspect of the topic – how Hitler came to power – is ever popular with both examination boards and students alike. It is surprising, then, that questions about this are often badly done. Too often candidates get bogged down in the detail of Weimar's ...
