Magic Embrace I have read this book so many times - first in paperback and now on kindle. My paperback fell apart but thankfully that is not a problem with kindle. I love this story so very much and find myself going back to read it several times a year. Best story with characters that live forever in my dreams.

Magic Embrace is aptly titled. Garrett is a mystic of sorts, and magical things happen throughout their journey. What is especially magical is the author's secondary characters.
