### Minn Kota I Pilot Link

i-Pilot Link allows your Minn Kota and Humminbird to communicate with each other to change the way you fish. With Link, you can take command of your motor from the wireless remote or your Humminbird. And once you do, the possibilities are endless: lock onto spots, record and retrace paths, follow depth contours, and more.

### i-Pilot Link | Minn Kota Motors

this is i-pilot® link™, the game changer in boat control. With i-Pilot® Link™, your Humminbird® and Minn Kota® communicate with each other to take command of your boat. Together, they give you the power of automatic boat control and the ability to create, store and revisit productive spots and paths—all while retaining the original i-Pilot functions.

### i-Pilot Link - Minn Kota

No failure to communicate here. i-Pilot Link puts your Minn Kota and your Humminbird on speaking terms. Decide where you want to go, then let Link deliver you there automatically. That means you're a push of a button away from dominating the water, with the missing link to better fishing. [Read More](#)
