...

Power and politeness are important phenomena in face-to-face interaction. Disagreement is an arena in which these two key concepts are likely to be observed together: both disagreement and the exercise of power entail a conflict, and, at the same time, conflict will often be softened by the display of politeness (defined as marked relational work).

Power and Politeness in Action - De Gruyter

While politeness theory can account for the former, as a means of expressing collegiality at work, or de-emphasizing power imbalances, in its standard form politeness theory does not explain barbed, competitive or confrontational humour. For this it is necessary to look to 'the dark side of politeness' (Austin, 1990).
