While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Disposable masks can be placed over nose & mouth during steps that require products to stay on the skin for any length of time {exfoliants, masks}. Treatments where masks can be worn by clients are unlimited. Peels will not be offered during this time. Heat under masks can intensify peel action & lead to adverse effects.
